### Permission Slips

There are a number of trips and visits taking place over the summer term. May I remind parents that signed slips must be returned to school for the children to take part in the trip. We are increasingly having to remind parents to return slips. If we don't receive permission, your children will be unable to take part in the trip and will have to remain in school.

### Visit to Myerscough

A visit to the Myerscough Garden Centre has been arranged for our children to look at a variety of different plants and produce growing in a range of climates. This extends part of our science curriculum and will be a fun visit for the children.

Thank you to everyone who supported the Bleasdale Tower open gardens event. School have been given a very generous £1290 from this event which will be used for

We are enjoying plenty of sunshine which we hope will continue throughout the summer term. Please remember to apply sunscreen and send sunhats into school as appropriate. Thank you.

### Safeguarding

Please can parents come into the playground to bring or collect their children and escort them safely across the road to their cars. Children should not cross the road unassisted. Please also ensure the school gate is closed after entering or leaving the playground. Thank you.

### Sports Day

This year the Sports Day will again be held in Chipping as a combined event with the children from St Mary's and Brabins Endowed Primary Schools in Chipping. The event will take place on the school fields that run between the two Chipping Schools. The planned date is Wednesday 20th June. If the weather is bad, the second date planned for is Wednesday 27th June. Further details to follow.
